On 10/03/2025, ESIC Rudrapur organized an International Women's Day Celebration to recognize the strength, resilience, and brilliance that women bring to our communities, workplaces, families, and nations. We celebrated this day to express our gratitude and admiration for the women who inspire, lead, and uplift those around them, from trailblazers who have broken barriers to everyday heroes who make a difference in their own unique ways, each woman deserves to be celebrated.
